AL - Alojamento Local - Tourist Licence

You will start to hear and see the above a lot on Portuguese rental properties. All our properties featured on Pac4Portugal.com either already have their licence in place or are in the process of applying for it. These properties are registered with the Portuguese authorities and meet specific legal regulations and safety standards. When choosing other rental properties on different websites, please make sure that they are legal to be rented out. We are in the process of updating our website to reflect these changes.

Caramujeira Villas

In October we started advertising Casa Figora and Casa Eucalyptus. If you follow our facebook page you will have seen details of these two 3 bedroom villas with pools, located near Praia da Albandeira. Prices range from **£375 pw - £1,275 pw**

We are currently negotiating some more villas to add to our portfolio. We hope to be adding a 3 bedroom villa near Casa Rostra, two luxury modern 4 bedroom villas between Silves and Messines and two modern villas at Sesmarias, Carvoeiro
